Re: Division 01 Bid Results
Rantoul Police Building Upgrades, GRA #201625

Dear Mr. Fiegenschuh:

Bids were received Monday, August 1st for the contractor work of the Rantoul Police Building Upgrades project (please see the attached bid tabulation sheet). We received eight bids from contractors in this bidding division. The apparent low bidder for the Base Bid work in the general division, is as follows:

Stonghold Construction, Inc.	Division 1 - Base Bid	\$123,300.00
------------------------------	-----------------------	--------------

Gorski Reifsteck Architect's opinion of probable project cost for the work was \$140,000 for the base bid work. Bids were clustered at high, middle and low points, with three bids at the lower end, and Gorski Reifsteck Architects believes that the documents were sufficient for a competitive bid.

We received these bids during a favorable bidding climate, but at the beginning of the autumn construction season. A group of twenty (20) contractors were invited to bid, nine (9) contractors (as well as several plan rooms) received the bidding documents and expressed initial interest. Most potential general bidders attended the prebid meeting for this project.

We have notified all bidders of the results and have discussed these bids with the contractor listed above as the apparent low bidder, Stronghold Construction. We reviewed the project work with them. Stronghold Construction is comfortable with their bid and with the scope of the project work and would like to enter into an agreement with the Village of Rantoul to complete the project work. Board authorization will allow the submission of required contractor Payment and Performance Bonds and the submission of required shop drawings.

Respectfully submitted,

Charles R Reifsteck
Gorski Reifsteck Architects
