ITEM: Housing Incentive Program	DEPARTMENT: Administration/Economic Development
AGENDA SECTION:	AMOUNT: N/A
ATTACHMENTS: (X) ORDINANCE () RESOLUTION (X) OTHER (See Summary Highlights) (X) SUPPORTING DOCUMENTS	DATE: 06/06/17
SUMMARY HIGHLIGHTS: One I was hired as the village administrator one of the goals the village board set forth for staff was working to find a way to increase property values in Rantoul, thus allowing the overall property tax levy to eventually decrease. One way to support this growth is through new building. We have worked to address this on the industrial and commercial sides through the expansion of our TIF and Enterprise Zone program. The new hotel, assisted living facility and Jimmy Johns are direct results of this progress. However, one area we continue to have little success is the development of new housing. Of course there are multiple reasons for this, but one area the village can directly impact this is through an incentive program that stimulates residential growth. With the goal of stimulating new residential housing construction and home improvement in Rantoul, the three primary real estate taxing entities are discussion a cooperative effort to put policies in place to rebate property taxes, on a decreasing percentage, for first five years for new home construction and remodeling that exceeds 25% of the baseline fair market value. The property tax amount is based on the EAV increment. The proposed amount to be refunded includes: Years 1-3: 100 percent of the village and both school district levies Year 4: 66% of the village and both school district levies Year 5: 33% of the village and both school district levies This program applies to single-family or multi-family residential dwellings in the Village of Rantoul. The tax refund is from the Village of Rantoul, Rantoul Township High School, Rantoul City Schools; property taxes levied by other units of government are not eligible. (Note: These three taxing bodies levy approximately 78% of the tax bill.) The program may not be used in conjunction with other incentives offered by the Village of Rantoul.	

Program Details:

1. Tax refunds will not be issued advance of property taxes being paid.
2. Property owner must present proof of payment of the tax bill to the County Assessor to each taxing entity to receive the refund from that entity.
3. Refunds will be issued after the second installment has been paid, in December.
4. The program applies to all property owners of residential dwelling units that are taxable, regardless of zoning, housing style or income of property owner.
5. The increase in assessed value must be the result of construction, improvements or rehabilitation of the property as evidenced by a building permit. The value of the building permit is not to be used to determine the value of the tax refund.
6. Tax refunds will not be issued if any delinquency exists for property taxes, special assessments or utility payments to the Village.
7. Tax refunds will not be issued for property that violates applicable building, zoning or subdivision regulations.
8. Properties are not eligible if the owner(s) have received any other types of Village development assistance, including but not limited to tax increment, tax abatement, reduced or waived special assessments.

Implementation Timeline:

- June 6: Village Board Study Session: Ordinance approval recommended, subject to school board approval
- June 13: Village Board Meeting: Ordinance approval
- June 19: RTHS board meeting: Program approval
- July 20: RCS board meeting: Program approval
- July 21: Program launch, with publicity to press, social media and direct contact with residential realtors and prospective multi-family developers

One area we will need to address is new housing being built prior to July 20, 2017 and after January 1, 2017. If the board moves forward with this program I would recommend the village rebate the taxes for those properties.

RECOMMENDED ACTION: Approve the ordinance creating the Village of Rantoul Housing Incentive program.

ITEM: Waste Water Adjustment	DEPARTMENT: Administration/Public Works
AGENDA SECTION:	AMOUNT: NA
ATTACHMENTS: (X) ORDINANCE () RESOLUTION () OTHER (See Summary Highlights) () SUPPORTING DOCUMENTS	DATE: 06/06/2017

SUMMARY HIGHLIGHTS:

The purpose of this agenda item is to seek Board approval of to make adjustments to the Village of Rantoul's Waste Water Customer Charge (Demand) Structure. It is proposed that the customer charge be converted from its current 4 (four) customer classes to charge based on the water meter size.

The current structure consists of customer classifications: Residential, Commercial, Industrial and Village classifications. These classifications were developed over 20 years ago and customers were classified based on electrical use for ease of billing. This current classification does not adequately reflect a customer's wastewater requirements and in some circumstances overcharges the small commercial businesses for wastewater. See the current structure below.

Service	Demand Charge per Month	Volume Charge per 1000 Gallons
Wastewater Service Residential	\$6.10	\$4.80
Wastewater Service Commercial	\$51.00	\$4.80
Wastewater Service Metered	\$196.00	\$4.80
Wastewater Service Industrial	\$196.00	\$4.80
Wastewater Service Village	\$51.00	\$4.80

The proposed customer charge structure mirrors the water customer charge and is based off of meter size. This structure better recognizes a customer's wastewater needs and more appropriately allocates the costs to appropriate class. The proposed customer charge adjustment is as follows.

Monthly Customer Charge Rate 2017/2018			
Waste Water Revised Customer Classes			
Customer Class	Meter Size (inches)	Proposed Monthly Rate	Current Monthly Rate
Residential		6.85	\$6.10
Commercial	1	17.74	\$51.00
Commercial	1.5	38.17	\$51.00
Commercial	2	66.30	\$51.00
Industrial	3	120.00	\$196.00
Industrial	4	225.00	\$196.00
Industrial	6	350.00	\$196.00

The proposed adjustment is revenue neutral, but does result in some changes to customers. The monthly impacts are shown below.

Monthly Customer Charge Rate 2017/2018							
Waste Water Revised Customer Classes							
Customer Class	Meter Size (inches)	Proposed Monthly Rate	Current Monthly Rate	Monthly Impact	Current Revenues	Adjusted Rate	Difference
Residential		6.85	\$6.10	\$0.75	\$355,386.00	\$399,081.00	\$43,695.00
Commercial	1	17.74	\$51.00	(\$33.26)			
Commercial	1.5	38.17	\$51.00	(\$12.83)			
Commercial	2	66.30	\$51.00	\$15.30	\$231,948.00	\$142,492.24	-\$89,455.76
Industrial	3	120.00	\$196.00	(\$76.00)			
Industrial	4	225.00	\$196.00	\$29.00			
Industrial	6	350.00	\$196.00	\$154.00	\$55,071.00	\$103,680.00	\$48,609.00
Total							\$2,848.24

The recommended changes will be extremely beneficial to those commercial accounts with a 1 to 1 1/2 inch meter that do not utilize much waste water usage. For a downtown retail facility or other small commercial operation this will amount to an annual savings of over \$350. To make up for the loss in revenue the residential base charges will increase by \$.75 per month for an annual increase of \$9.00. Staff is also recommending slight increases to our larger industrial accounts due to their impact on the treatment and collection system.

RECOMMENDED ACTION: I recommend approving the ordinance adjusting the current waste water structure to more appropriately allocate the cost structure and to provide additional relief for our smaller commercial customers.

ITEM: Update to FY 18 Pay Plan-Includes adding a new positon	DEPARTMENT: Administration/Human Resources
AGENDA SECTION:	AMOUNT: \$50K-\$60K
ATTACHMENTS: <input checked="" type="checkbox"/> ORDINANCE <input type="checkbox"/> RESOLUTION <input type="checkbox"/> OTHER (See Summary Highlights) <input checked="" type="checkbox"/> SUPPORTING DOCUMENTS	DATE: 03/06/17
<p>SUMMARY HIGHLIGHTS:</p> <p>Since March when the previous Community Development Director separated his employment with the village his duties have been absorbed in house by other employees. After internal discussions with my leadership team and after attending the CDBF training in May, I have decided this position should be filled as soon as possible.</p> <p>When Mike filled the role his job title was Director of Community Development. It was a department of one and the position did not have any supervisory roles. The positon is not a true Director of Community Development role, but more aligned with a Grants/CDBG Manager.</p> <p>I will be asking the board to amend the pay plan to create this new position. The Director of Community Development position will remain open and the new positon will be funded through those savings. This position is critical to the future of our CDBG program and with the right person in the role, our local program will grow and succeed. Katie and I are working on an updated job description for this position and trying to determine how and where it will fit in the department reorganization that is ongoing. At next week's board meeting, we will present the new position along with an updated pay scale for your approval.</p>	
<p>RECOMMENDED ACTION: Approve the ordinance amending the FY 18 pay plan to include a new Grants/CDBG Manager.</p>

ITEM: Re-zoning of Out-lot / Property	DEPARTMENT: Public Works	
AGENDA SECTION:	AMOUNT:	
ATTACHMENTS: (X) SUPPORTING DOCUMENTS	DATE: May 22, 2017	
<p>SUMMARY HIGHLIGHTS:</p> <p>This Agenda Item provides for the Village of Rantoul Board's consideration of re-designating the property at the Northwest Corner of S. Century & Chandler Road from Aviation Support District (CR-2) to Single-Family/Duplex Residential District (R-3).</p> <p>This 26 acres +/- is considered an "out-lot" (a piece of land which is left over after a developer has surveyed, planned, and developed a new subdivision) of the South Pointe Development. The current owner petitioned for the properties' re-zoning at the May 8, 2017 Planning and Zoning Commission (PZC) meeting. The PZC unanimously recommended approving the re-zoning. For the re-zoning to formally occur, the Village Board will need to consider and vote on this request.</p> <p>This change will provide/allow for the following:</p> <ul style="list-style-type: none"> • Re-zoning of the 26 acre +/- out-lot from Aviation Support District (CR-2) to Single-Family/Duplex Residential District (R-3). (R-3 allows for the potential construction of new single family homes or duplex residential units.) • It should be noted that any R-3 property of five (5) acres or more and which has not been subdivided, may be used for AG Cropping. (<i>Cropping</i> means the growing, harvesting, and storing of crops, including legumes, hay, grain, fruit, and truck or vegetable crops, floriculture, horticulture, mushroom growing, orchards and forestry; farm buildings used for growing, harvesting, or preparing <i>crop</i> products for market, or for use on the farm, and farm dwellings are also included.) • Allows the future developer to prepare and obtain a Village approved subdivision plat (which will have to match the use of the property to the west), without requiring additional PZC or Board considerations/actions. • Allows for the reduction in areas with the Aviation Support District designation and move toward having properties that offer the "highest and best use". • This R-3 designation properly reflects the residential use of this property with respect to the village's long-term Comprehensive Use Plan. (attached for reference) <p>While neighboring residents had questions and offered comments to the Staff during the process leading up to the meeting, none were presented during the PZC meeting. Staff would also recommend limiting the cultivation and planting on the existing utility easements, in order to protect the storm water lines which are fairly shallow across this property.</p>		
<p>RECOMMENDED ACTION: Authorize the re-zoning of the 26 acres +/- acre out-lot of the South Pointe Commons Subdivision (located at the Northwest Corner of S. Century & Chandler Road) from Aviation Support District (CR-2) to Single-Family/Duplex Residential District (R-3).</p>

In an effort to buy local, I contacted Shield Auto, who submitted a bid of \$18,762.00 plus license and title fees. This is with the assumption that Shields can still locate and obtain a 2016 model. Please note this bid price is less than the Illinois state bid price that is currently available for a 2017 Ford Taurus; \$19,800.00.)</p> <p>I obtained sales prices for 2016 Ford Taurus' from three other dealerships. Bob Rohman Schaumburg Ford, IL \$19,108.00 Schicker Ford of Union, MO \$19,950 Jim Baier, Inc, of Fort Madison, IA \$21,987 -see attached internet sales quotes.</p>	

The approximate \$2,000.00 in lighting, siren and other equipment to make this vehicle "Road-ready" will come from account 0522-420.75.50.

The marked Patrol Vehicle will be a 2017 Ford Police Interceptor SUV.

RPD was prepared to purchase a 2017 Ford Police Interceptor SUV in the 16/17 FY and had worked with Morrow Brother's Ford, in Greenfield, IL, about purchasing the vehicle for the state bid price of \$27,490.00. We deferred the purchase of the vehicle until this fiscal year. Since then, the state bid price for this vehicle has increased to \$28,773.00. However, I spoke with Morrow Brother's Ford, who indicated they would honor the price of \$27,490.00.

The approximate \$11,000.00 in lighting, siren, and other equipment to make this vehicle "Road-ready" will come from account 0522-420.75.50.

The amount for both vehicles, \$46,252.00 will be financed through First Bank at a rate of 2.49%.

To Whom It May Concern,

Thank you for the opportunity to place a bid for a new Ford Taurus FWD SE. The Ford Taurus will be equipped with the 100A Equipment Group and Floor Mats. It will have a 3.5L V6 Engine and 6 Speed Automatic Transmission. We have the opportunity to offer you a brand new 2017 model or a 2016 model (subject to availability). The color of the Taurus can be chosen at the time of order on a 2017 model and is subject to availability on a 2016 model. The selling price for a 2017 Ford Taurus SE is \$20,812 plus Municipal license and title fees. The selling price for a 2016 Ford Taurus SE is \$18,762 plus Municipal license and title fees.

Once again, I would like to thank you for the opportunity. Please let me know how I can be of further assistance.

Sincerely,

Rick Shields
General Manager
