Rantoul, IL 61866**

11/18/2013

**REQUEST FOR PROPOSAL (RFP)
VRNT-14-R-02
Indian Hills Outfall Engineering Services**

ATTENTION RESPONDENTS:

Your firm is hereby invited to submit to the Village of Rantoul (hereinafter "Village") a proposal for **Indian Hills Outfall Engineering Services**. A successful respondent (or respondent team) will be selected by the Village based on a multi-step process, as described below.

THE VILLAGE OF RANTOUL, ILLINOIS, will accept sealed proposals from qualified firms to provide engineering services for the design and construction of the outfall structure and the necessary storm drainage conveyances for the Indian Hills Detention Pond. The project is located within the Village of Rantoul.

Submittals will be received until closing time 3:00 P.M. prevailing time on January 17, 2014 at the Rantoul Municipal Building, 333 South Tanner Street, Rantoul, Illinois. Submittals received after the closing time will not be accepted and will be returned unopened.

The Village of Rantoul will make the final selection of the firm or team of firms to perform the proposed services after January 17, 2014, and intends to award a contract by mid February, 2014. The Village reserves the right to cancel any and all solicitations and to accept or reject, in whole or in part, any and all proposals when it is in the best interest of the Village.

Additional information concerning this RFP can be found at:
