**Section 2. Findings.** The Corporate Authorities hereby find that the matters set forth in the preambles and recitals hereto are true and correct and incorporate them herein by this reference and that it is necessary and in the best interests of the Issuer to finance the Project and to refund the Prior Bonds and that the Bonds be issued for such purposes and to pay related costs and expenses, including costs of issuance of the Bonds. Proceeds of the Bonds are hereby to be applied for such purposes.

**Section 3. Bond Details.** There shall be borrowed for and on behalf of the Issuer the principal amount of up to \$7,720,000 (to be evidenced by the Bonds) to refinance the Prior Projects by refunding the Prior Bonds and to finance the Project and related costs.

**(a) General.** The Bonds shall be issued in the aggregate principal amount of up to \$7,720,000 and each shall be designated "**General Obligation Refunding Bond, Series 2015**". The Bonds shall be dated on such date or dates, not later than December 31, 2015, as shall be set out in the Bond Order, and shall also bear the date of authentication thereof. The Bonds shall be in fully registered form, shall be in denomination of \$5,000 each and authorized integral multiples thereof, shall be numbered consecutively in such fashion as shall be determined by the Bond Registrar, and shall mature and become due and payable on January 1 of the years (not later than 2027) and in the amounts and bearing interest at the rates as set forth in the Bond Order, provided, however, that no Bond shall bear interest at a rate percent per annum which in excess of 7 percent (7%).

The Bonds shall bear interest from their date, or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semiannually on the days of each year as specified in the Bond Order. Principal of and premium (if any) on each Bond shall be paid in lawful money of the United States of America, at the designated principal corporate trust office of the Paying Agent or as otherwise may be agreed to with the Depository while the Bonds remain registered in the book entry form as provided in Section 5(d) hereof. Interest on each Bond shall be paid from available funds therefor, as provided in this ordinance, by check or draft of the Paying Agent to the person

in whose name such Bond is registered at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding each interest payment date or as otherwise may be agreed to with the Depository while the Bonds remain registered in the book entry form as provided in Section 5(d) hereof.

Interest on each Bond also may be payable by wire transfer to (and at the expense of) any registered owner of a Bond or Bonds (as of the applicable record date) holding an aggregate principal amount of \$500,000 or more when such registered owner shall have requested such wire transfer payment by written instruction to the Paying Agent at least fifteen (15) days prior to an interest payment date.

**(b) Execution.** The Bonds shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Issuer and shall be signed by the manual or duly authorized manual or facsimile signatures of the Village President and Village Clerk of the Issuer, as they shall determine, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

**(c) Authentication.** All Bonds shall have thereon a certificate of authentication substantially in the form therefor hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Issuer and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this ordinance.

**Section 4. Redemption.** If so provided in the Bond Order, the Bonds maturing on the dates, if any, indicated in the Bond Order shall be subject to redemption prior to maturity as provided in this Section 4.

**(a) Optional Redemption.** The Bonds shall be subject to optional redemption in whole or in part, at the option of the Issuer on any date and in any order of maturity designated by the Issuer (but in inverse order if none is designated), at a redemption price equal to the principal amount to be redeemed, plus accrued interest to the redemption date, all as provided in the Bond Order.

**(b) Sinking Fund Redemption.** This subsection (b) shall apply to the extent a Bond Order shall specify any Term Bonds, and otherwise shall not apply. Bonds specified in a Bond Order or the Bond Purchase Agreement as Term Bonds (the “**Term Bonds**”), if any, are subject to mandatory sinking fund redemption in the principal amount on December 15 of the years so specified, but corresponding to the principal maturities specified above in Section 3(a).

At its option before the 45th day (or such lesser time acceptable to the Bond Registrar) next preceding any mandatory sinking fund redemption date in connection with Term Bonds the Issuer by furnishing the Bond Registrar and the Paying Agent an appropriate

certificate of direction and authorization executed by the Village President and Village Comptroller may: (i) deliver to the Bond Registrar for cancellation Term Bonds in any authorized aggregate principal amount desired; or (ii) furnish the Paying Agent funds for the purpose of purchasing any of such Term Bonds as arranged by the Issuer; or (iii) receive a credit (not previously given) with respect to the mandatory sinking fund redemption obligation for such Term Bonds which prior to such date have been redeemed and cancelled. Each such Bond so delivered, previously purchased or redeemed shall be credited at 100% of the principal amount thereof, and any excess shall be credited with regard to future mandatory sinking fund redemption obligations for such Bonds in chronological order, and the principal amount of Bonds to be so redeemed as provided shall be accordingly reduced. In the event Bonds being so redeemed are in a denomination greater than \$5,000, a portion of such Bonds may be so redeemed, but such portion shall be in the principal amount of \$5,000 or any authorized integral multiple thereof.

(c) **Procedure.** The Issuer covenants that it will redeem Bonds pursuant to the redemption provisions applicable to such Bonds. Proper provision for redemption having been made, the Issuer covenants that the Bonds so selected for redemption shall be payable as at maturity.

For a mandatory redemption of Term Bonds, the Bond Registrar shall proceed to redeem the Term Bonds without any further order or direction from the Issuer whatsoever. The Issuer shall, at least 45 days prior to an optional redemption date (unless a shorter time shall be satisfactory to the Bond Registrar), notify the Bond Registrar of any optional redemption date and of the principal amount of Bonds to be redeemed (no such notice shall be required in the case of any mandatory sinking fund redemption of Term Bonds). In the event that less than all of the Bonds of a particular series or maturity are called for redemption as aforesaid, as necessary, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days or less than thirty (30) days prior to the redemption date by the Bond Registrar by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall promptly notify the Issuer in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, presentment for payment being conclusively such a waiver, notice of any such redemption shall be given by the Bond Registrar on behalf of the Issuer by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by each such registered owner to the Bond Registrar.

All notices of redemption shall include at least the information as follows: (1) the identification of the particular Bonds to be redeemed; (2) the redemption date; (3) the redemption

price; (4) if less than all of the Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (5) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after such date; (6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Paying Agent; and (7) any additional information as required by the Representation Letter (as such term is hereinafter defined).

On or prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, together with accrued interest, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice nor any defect in any notice so mailed to any particular registered owner of a Bond shall affect the sufficiency of such notice with respect to any other registered owner. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or the redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid from available funds therefor by the Paying Agent at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for the partial redemption of any physical Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be marked cancelled by the Bond Registrar and shall not be reissued.

Each notice of redemption shall be sent or posted to the MSRB through its Electronic Municipal Market Access system for municipal securities disclosure or through any other electronic format or system prescribed by the MSRB for purposes of the Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify the Bond or Bonds, or portion thereof, being redeemed with the proceeds of such check or other transfer.

In lieu of the foregoing official notices, so long as the Bonds are held in book entry form pursuant to Section 5, notice may be given as provided in the Representation Letter, and the giving of such notice shall constitute a waiver by the Depository and the book entry owner, as registered owner, of the foregoing notice. After giving proper notification of redemption to the Bond Registrar, as applicable, the Issuer shall not be liable for any failure to give or defect in notice.

**Section 5. Registration of Bonds and Book-Entry.** The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein and related to book-entry only registration.

**(a) General.** This subsection (a) is subject to the provisions of subsection (b) concerning book-entry only provisions. The Issuer shall cause books (the “**Bond Register**”) for the registration and for the transfer of the Bonds as provided in this ordinance to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the Bond Registrar of the Issuer. The Issuer is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the Issuer for use in the issuance from time to time of the Bonds and in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by the registered owner or such owner’s attorney duly authorized in writing, the Issuer shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same series and maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at the office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same series and maturity of other authorized denominations. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period of fifteen (15) days next preceding any interest payment date on such Bond and ending on such interest payment date, nor, as applicable, to transfer or exchange any Bond after notice calling such Bond for prepayment has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of prepayment and redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any Bond shall be made only to or upon the order of the registered owner thereof or such registered owner’s legal representative. All such payments shall

be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Issuer or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds exchanged in the case of the issuance of a Bond or Bonds for the outstanding portion of a Bond surrendered for redemption.

The Village President or Village Comptroller may, in his or her discretion at any time, designate a bank with trust powers or trust company, duly authorized to do business as a bond registrar, paying agent, or both, to act in one or both such capacities hereunder, in the event the Village President or Village Comptroller shall determine it to be advisable. Notice shall be given to the registered owners of any such designation in the same manner, as near as may be practicable, as for a notice of redemption of Bonds, and as if the date of such successor taking up its duties were the redemption date.

**(b) Book-Entry-Only Provisions.** Unless otherwise provided in a Bond Order, the Bonds shall be issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond may be registered in the Bond Register therefor in a street name of the Depository, or any successor thereto, as nominee of the Depository. The outstanding Bonds from time to time may be registered in the Bond Register in a street name, as nominee of the Depository. If not effective, the Village President or Village Comptroller is authorized to execute and deliver on behalf of the Issuer such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “**Representation Letter**”). Without limiting the generality of the authority given to the Village President or Village Comptroller with respect to entering into such Representation Letter, it may contain provisions relating to **(a)** payment procedures, **(b)** transfers of the Bonds or of beneficial interest therein, **(c)** redemption notices and procedures unique to the Depository, **(d)** additional notices or communications, and **(e)** amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of a nominee of the Depository, the Issuer and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “**Depository Participant**”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the foregoing, the Issuer and the Bond Registrar shall have no responsibility or obligation with respect to **(a)** the accuracy of the records of the Depository, the nominee, or any Depository Participant with respect to any ownership interest in the Bonds, **(b)** the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or **(c)** the payment to any Depository Participant or any other person, other than a registered

owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

As long as the Bonds are held in a book-entry-only system, no person other than the nominee of the Depository, or any successor thereto, as nominee for the Depository, shall receive a Bond certificate with respect to any Bonds. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of the prior nominee, and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds as of the close of business on the first (1st) day of the month next preceding the applicable interest payment date, the reference herein to nominee in this ordinance shall refer to such new nominee of the Depository.

In the event that **(a)** the Issuer determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, **(b)** the agreement among the Issuer, the Bond Registrar, the Paying Agent and the Depository evidenced by the Representation Letter shall be terminated for any reason or **(c)** the Issuer determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall notify the Depository and the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of a nominee of the Depository. At that time, the Issuer may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Issuer, or such depository's agent or designee, and if the Issuer does not select such alternate book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this ordinance to the contrary, so long as any Bond is registered in the name of a nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

**Section 6. Security.** The Bonds are and constitute general obligations of the Issuer to which are pledged the full faith and credit of the Issuer, including by a levy of direct annual taxes without limit as to rate or amount sufficient to pay when due the principal thereof and interest thereon.

**Section 7. Form of Bonds.** With appropriate completion of blanks and other modifications, including the inclusion of the printer's abbreviations with respect to the status of registered ownership and an Insurer's standard statement of insurance, and, while the Bonds are held by the Depository in full book entry form, a schedule with respect to prepayments upon redemption showing the date of prepayment, the principal amount prepaid, the interest paid, the principal balance and the Paying Agent's endorsement, the Bonds shall be in substantially the form as follows (The Bond form shall be conformed to a Bond Order, and bracketed provisions shall be deleted, as applicable.):

**Section 8. Tax Levy.** For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due, and to pay and discharge the principal thereof at maturity or upon mandatory redemption, there is hereby levied upon all of the taxable property within the Village of Rantoul, Illinois, in the years for which any of the Bonds are outstanding, a direct annual tax sufficient for the purpose; and there are hereby levied on all of the taxable property in the Village of Rantoul, Illinois, in addition to all other taxes, with a reasonable allowance for delinquencies under Section 16 of the Local Government Debt Reform Act, the direct annual taxes (constituting the Levied Taxes) in the amounts in each levy year commencing not before the levy year 2014 and ending not later than the levy year 2026, as provided in a Bond Order.

Available receipts of the tax levy for 2014 (to be collected in 2015) for the Prior Bonds (to the extent not required to pay Prior Bonds) and funds on deposit in the designated funds under the Prior Ordinance authorizing Prior Bonds (and not required to pay unrefunded Prior Bonds, if any) shall be deposited into the Debt Service Fund and applied to pay first debt service on Bonds or to reimburse the Issuer for such payments. Interest or principal on the Bonds coming due at any time when there are insufficient funds on hand from the Levied Taxes to pay the same shall be paid promptly when due from current funds on hand (and not subject to a prior pledge) in advance of the collection of the Levied Taxes herein levied; and when the Levied Taxes shall have been collected, reimbursement shall be made to such funds in the amount so advanced.

Whenever funds from any lawful source are made available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the taxes levied herein for the payment of such principal and interest, such funds shall be initially credited to the Debt Service Fund, and the Corporate Authorities shall, if at all, from time to time, by proper proceedings, (i) direct the deposit of such funds into or credit of such funds to the Debt Service Fund such that the Debt Service Fund has on deposit or is credited with not in excess at any time an amount constituting a “**bona fide debt service fund**” under Section 1.148-1(b) of the Income Tax Regulations and (ii) further shall direct or through appropriate officers certify the abatement of the applicable taxes levied by the amount so deposited. A certified copy of any such certificate of abatement and of any such proceedings abating taxes shall be filed with the County Clerk of The County of Champaign, Illinois, in a timely manner to effect such abatement.

The Issuer covenants and agrees with the purchasers and registered owners of the Bonds that so long as any of the Bonds remain outstanding and unless and to the extent that moneys are then irrevocably on deposit in the Debt Service Fund, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the issuer to levy and collect the foregoing tax levy. The Issuer and its officers will comply with all present and future applicable laws in order to assure that the Levied Taxes may be levied, extended, collected and deposited into such Debt Service Fund, all as provided herein. Levied Taxes when received by or on behalf of the Issuer shall be directly deposited into or credited to the Debt Service Fund.

**Section 9. Filing with County Clerk.** After this ordinance becomes effective and prior to issuance of any Bonds, a copy of this ordinance, certified by the Issuer’s Village Clerk, shall be filed (together with the Bond Order affecting tax levies) with the County Clerk of The County of Champaign, Illinois; and such County Clerk shall in and for each of the years

2014 through 2026 (or otherwise as be provided in a Bond Order), inclusive, ascertain the rate percent required to produce the aggregate tax hereinbefore provided to be levied in each such year in such County; and such County Clerk shall extend the same for collection on the tax books in connection with any other taxes that may be levied in each such year in and by the Issuer for general corporate purposes of the Issuer; and in each such year such annual tax shall be levied and collected by and for and on behalf of the Issuer in like manner as provided by law for the levy and collection of taxes for general corporate purposes for each such year, without limit as to either rate or amount, and in addition to and in excess of all other taxes.

**Section 10. Debt Service and Rebate Funds; Investments.**

**(a) Debt Service Fund.** There is hereby created and established, or continued from the Prior Ordinance, the special fund of the Issuer, which fund shall be held separate and apart from all other funds and accounts of the Issuer and shall be known as the “**Debt Service Fund (2015)**” (the “**Debt Service Fund**”), which shall be initially credited with accrued interest.

Levied Taxes are to be paid to the Village Comptroller by the officers who collect or receive the Levied Taxes. Whenever the Village Comptroller receives any of the Levied Taxes or other moneys duly appropriated, budgeted or otherwise allocated to the payment of debt service on the Bonds, he or she shall promptly deposit or credit the same into the Debt Service Fund. Moneys in the Debt Service Fund shall be used by the Issuer solely and only for the purpose of paying when due debt service on the Bonds.

**(b) The Rebate Fund.** There is hereby created a separate and special fund known as the “**Rebate Fund,**” into which there shall be deposited as necessary investment earnings in the Debt Service Fund and the Proceeds Fund to the extent required so as to maintain the tax exempt status of interest on Bonds. All rebates, special impositions, Yield Reduction Payments or taxes for such purpose payable to the United States of America (Internal Revenue Service) under Section 148(f) of the Code shall be payable from the Rebate Account. The Issuer may execute an appropriate arbitrage regulation agreement concerning arbitrage rebate and Yield Reduction Payments.

**(c) Investments.** The moneys on deposit in the Debt Service Fund, the Proceeds Fund (defined in Section 13(b) hereof) and the Rebate Fund therein may be invested from time to time in Qualified Investments, including authorized investment securities under an Escrow Agreement. Any such investments may be sold from time to time by the Issuer as moneys may be needed for the purposes for which such funds and such accounts have been created. In addition, the Village Comptroller shall sell such investments when necessary to remedy any deficiency in such Funds, and related accounts. Any earnings or losses on such investments shall first be attributed to the fund or account in which such investment was made. Investments shall be valued at least annually (on a consistent basis as determined by the Issuer) at the lower of cost or market.

**(d) Bona Fide Debt Service Fund:** Moneys preliminary to deposit in subsection (a) above and used to abate taxes under Section 8 above, which if deposited into the Debt Service Fund would disqualify the Debt Service Fund as a “**bona fide debt service fund**” (“**BFDSF**”),

shall be held in a separate account designated the “**Pledged Account**” (the “**Pledged Account**)) of the Debt Service Fund and the investment yield thereon yield restricted and subject to yield reduction payments. Funds in the Pledged Account shall be transferred to the Debt Service Fund at the same time and in the manner that would not disqualify such Debt Service Fund to the extent as a BFDSF.

(e) **Yield Reduction Payments.** Unless the Issuer shall have requested and received an approving written opinion of Bond Counsel to the contrary, moneys on deposit to credited to the Pledged Account shall be subject to yield restriction to the yield on the Bonds, subject to “**yield reduction payments**”, as applicable, under Section 13.148-5(e) of the Income Tax Regulations, which the Issuer shall determine and, as applicable, pay in the same manner as arbitrage rebate under (a) above.

**Section 11. General Covenants.** The Issuer covenants and agrees with the owners of the Bonds, that so long as any Bonds remain outstanding and unpaid:

(a) The Issuer will punctually pay or cause to be paid from the Debt Service Fund the principal of, interest on and premium, if any, to become due in respect of the Bonds in strict conformity with the terms of the Bonds and this ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements hereof.

(b) The Issuer will pay and discharge, or cause to be paid and discharged from the Debt Service Fund any and all lawful claims which, if unpaid, might become a lien or charge upon the Levied Taxes, or any part thereof, or upon any funds in the hands of the Paying Agent, or which might impair the security of the Bonds. Nothing herein contained shall require the Issuer to make any such payment so long as the Issuer in good faith shall contest the validity of such claims.

(c) The Issuer will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to the Project, the Prior Projects and to the Levied Taxes and any other monies to be applied to the payment of debt service on the Bonds. Such books of record and accounts shall at all times during business hours of the Issuer be subject to the inspection of the registered owners of not less than ten per cent (10%) (or such lesser percentage as may be required by applicable law) of the principal amount of the Bonds then outstanding, or their representatives authorized in writing.

(d) The Issuer will preserve and protect the security of the Bonds and the rights of the registered owners of the Bonds, including without limitation the right at all times to receive and apply the Levied Taxes and other monies to be applied to the payment of debt service on the Bonds, in the manner, at the time and with the effect contemplated by this ordinance, with respect to which, among other things, the Issuer covenants to strictly comply with all requirements of applicable law in connection therewith and herewith, and will warrant and defend their rights against all claims and demands of all persons.

(e) The Issuer will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this ordinance, and for the better assuring and confirming unto the owners of the Bonds, the Paying Agent, the Bond Registrar, the Escrow Agent of the rights and benefits provided in this ordinance.

(f) As long as any Bonds are Outstanding, the Issuer will continue to deposit the Levied Taxes and other monies to be applied to the payment of debt service on the Bonds to the Debt Service Fund. The Issuer covenants and agrees with the owners thereof that so long as any Bonds remain outstanding, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the Issuer to collect and apply the Levied Taxes and other monies to be applied to the payment of debt service on the Bonds, in accordance with this ordinance. The Issuer and its officers will comply with all present and future applicable laws in order to assure that such taxes and monies may be collected as provided herein and deposited into the Debt Service Fund and applied in accordance with this ordinance.

**Section 12. Sale of the Bonds.** The Designated Officials are hereby authorized to proceed, without any further authorization or direction whatsoever from the Corporate Authorities, to sell and deliver the Bonds, in one or more series, upon the terms as prescribed in this Section and in the Bond Order. Such sale shall only be made upon the conditions that: (i) the net interest cost of the Bonds is not greater than 5% and the maximum interest rate on any one Bond shall not exceed 7%; and (ii) that the net present value benefit of savings derived from the refinancing of the Prior Bonds with the issuance of the Bonds is not less than 3.5%. The Bonds hereby authorized shall be sold and executed as in this ordinance provided as soon after the passage hereof as may be, and the proceeds from such sale, to the extent not directly applied by the Underwriter to pay for the Insurer's Policy, if any, and other issuance costs at the time the Bonds are issued, shall thereupon be deposited with the Village President or Village Comptroller of the Issuer, and be by the Village President or the Village Comptroller delivered to or at the direction of the Underwriter in accordance with the terms and provisions of the Bond Purchase Agreement, upon receipt of the purchase price therefor, the same being the purchase price set forth in the Bond Purchase Agreement including any accrued interest, if any, to date of delivery. Upon the sale of the Bonds, the Designated Officials and any other officers of the Issuer as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including without limitation, the Bond Order, Preliminary Official Statement, Official Statement, the Bond Purchase Agreement, Escrow Agreement, a tax agreement and certificate as prepared by Bond Counsel (as such term is hereinafter defined), and closing documents. The Designated Officials shall execute a Bond Purchase Agreement for the sale of the Bonds to the Underwriter in the form approved by the Village Attorney, and that no person holding an office of the Issuer either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the Bond Purchase Agreement. Upon the sale of the Bonds, the Designated Officials shall cause the Bond Order to be prepared to include the pertinent details of the sale as provided herein, and such shall be entered into the records of the Issuer and made available to the Corporate Authorities at the next public meeting thereof. The Village Comptroller shall also file with the County Clerk the Bond Order or like document including a levy of taxes. The authority granted in this Ordinance to the

Designated Officials to sell Bonds herein shall expire on December 31, 2015. The Underwriter shall receive a credit against the purchase price for the purchase of the investment securities related to an Escrow Account and for issuance costs directly paid by the Underwriter, which payment is hereby authorized.

The issuance, sale and delivery of the Bonds shall be accompanied by the supporting documentation required by the Bond Purchase Agreement, including as follows: (1) a certified copy of this ordinance; (2) a written direction from the Village President to the Bond Registrar to authenticate and deliver Bonds; (3) with respect to the initial issuance, sale and delivery of any Bonds the approving opinion of Evans, Froehlich, Beth & Chamley, Champaign, Illinois (including other nationally recognized bond counsel, "**Bond Counsel**"), that such Bonds have been validly issued and constitute general obligations of and binding against the Issuer according to their terms and as to the tax-exempt status thereof; (4) the purchase price for the Bonds; (5) an executed counterpart of, as applicable, the Bond Purchase Agreement, Escrow Agreement, and Disclosure Agreement, and (6) such other and further showings and instruments as the Issuer, Bond Counsel approving the Bonds or the Underwriter shall reasonably require.

The Issuer hereby authorizes and approves the distribution of the Official Statement to be used in the offering and sale of the Bonds and the proposed use by the Underwriter of an Official Statement (in substantially the form of the Preliminary Official Statement but with the appropriate variations to reflect the final terms of the Bonds) is hereby approved. The Issuer hereby deems the Official Statement to be final as of the date of this ordinance, as provided in and subject to appropriate supplements under Rule 15c2-12 of the Securities and Exchange Commission. The Issuer will cooperate with the Underwriter in connection with the compliance by the Underwriter with requirements of such Rule 15c2-12 and applicable rules of the Municipal Securities Rulemaking Board, including that the Disclosure Agreement is authorized to be executed, delivered and performed by the Issuer.

**Section 13. Use of Bond Proceeds.** The proceeds derived from the sale of the Bonds together with such money in the Debt Service Fund for the Prior Bonds shall be used as follows:

(a) Accrued interest, if any, received by the Issuer upon the sale of the Bonds following the delivery of the Bonds, shall be remitted by the Village Comptroller for deposit in the Debt Service Fund and shall be used to pay first interest coming due on the Bonds.

(b) Net of amounts to directly pay issuance costs and to fund the Escrow Account, funds shall be set aside in a separate accounts of the fund hereby created and designated as the "**Bond Proceeds Fund (2015)**" (the "**Proceeds Fund**," within which there shall be an "**Escrow Account**" for the Refunding and a "**Project Account**" for Project and Bond issuance costs), which the Issuer shall maintain as a separate and segregated fund. Moneys in the Escrow Account shall be applied to fund the Escrow Agreement to pay and to refund the Prior Bonds and moneys in the Project Account shall be applied to pay Project and issuance costs for the Bonds. Moneys in the Project Account shall be withdrawn from time to time as needed for the payment of issuance

expenses for which funds were otherwise insufficient and for Project costs and paying the fees and expenses incidental thereto not previously paid, and such money shall be disbursed by the Issuer from time to time only upon submission to the Village Comptroller of the following:

(i) If such disbursement is for payment to a supplier, materialman, or contractor for work done in connection with Project costs, documentation as is acceptable to the Village Comptroller with respect to similar work and projects and/or a Requisition as provided below and a certificate executed by the engineer or architect in charge of the Project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by such engineer or architect, the amount due and payable thereon, and the amount remaining to be paid in connection with Project costs accompanied, as appropriate, by contractors, affidavits and mechanics' lien waivers; and

(ii) A duplicate copy of the Requisition signed by the Village Comptroller or another authorized officer of the Issuer, stating specifically the purpose for which the Requisition is issued and indicating that the payment for which the Requisition is issued is authorized, and in the case of any questions in that regard, such that the Village Comptroller does not approve a Requisition for payment, that it has been approved by the Corporate Authorities.

(c) The Issuer may then allocate from Bond proceeds, in excess of the requirements in (a) and (b) above or from other available funds, up to a sum necessary for expenses incurred in the issuance of the Bonds, net of any costs of issuance directly paid by the Underwriter, which direct payment is hereby authorized, which shall be deposited into an "**Expense Fund**" to be maintained by the Village Comptroller and disbursed for such issuance expenses from time to time in accordance with usual Issuer procedures for the disbursement of funds, which disbursements are hereby expressly authorized. Monies not disbursed from the Expense Fund within 90 days shall be transferred by the Issuer for deposit in the hereinafter described Project Account, and any deficiencies in the Expense Fund shall be paid by disbursement from the Project Account.

The Refunding shall occur pursuant to the provisions of the Escrow Agreement, all in accordance with the provisions of such Escrow Agreement with the Escrow Agent. The Designated Officials are hereby authorized and directed to execute the Escrow Agreement in a form acceptable to Bond Counsel. Subject only to the delivery of the Bonds, the Prior Bonds are hereby authorized to be called for redemption on the date and upon the terms and provisions as provided in this Ordinance and the Escrow Agreement.

The Escrow Agent and the Underwriter be and the same are each hereby authorized to act as agent for the Issuer in the purchase of the Government Securities described and set forth in the Escrow Agreement.

**Section 14. Requisitions.** Each “**Requisition**” for funds in connection with Bond proceeds, in addition to any other specific requirement of this ordinance, shall be signed on behalf of the Issuer by the Village Comptroller or other authorized officer and shall contain, as appropriate in the particular case, certain representations, substantially as follows: (1) the name of the person, firm or corporation to whom or which payment is due; (2) the amount to be paid; (3) the purpose for which such payment is to be made; (4) that such payment is due and has not been included in any prior disbursement Requisition which has been paid; (5) that there has not been filed with or served upon the Issuer notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any moneys payable to any named payee of the Issuer which has not been released, bonded or insured over concurrently with the payment of such obligations, and in any event, amounts will only be withheld to the extent of the liens in question; and (6) except in the case of costs of issuance related to Bonds, that the work, materials or equipment with respect to which payment is to be made has been performed or the applicable Project costs have been expended and that the Issuer has acquired good and merchantable title or perpetual easements to all real and personal property acquired by or on behalf of the Issuer.

After payment of all Project costs and issuance, as herein referred to, and as heretofore approved by the Corporate Authorities, the Village Comptroller or other authorized officer shall certify to the Corporate Authorities the fact of such depletion or the engineer or architect in responsible charge of the Project shall certify to the Corporate Authorities the fact that the work has been completed according to approved plans and specifications, as applicable, and upon approval of such certification by the Corporate Authorities, funds (if any) remaining in the Proceeds Account shall be credited to the Debt Service Fund, and the Project Account shall be closed.

Funds on deposit in the Project Account shall be invested by the Village Comptroller in Qualified Investments. All investment earnings in the Project Fund shall first be credited to the Rebate Fund as necessary to maintain the tax-exempt status of the Bonds and next shall be credited to the Project Fund.

**Section 15. Arbitrage.** The Corporate Authorities certify and covenant with the registered owners of the Bonds from time to time outstanding, that so long as any of the Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause such Bonds to be “**private activity bonds**”, “**arbitrage bonds**” or “**hedge bonds**” under Sections 141, 148 and 149(g) of the Code and any lawful regulations promulgated or proposed thereunder, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The Corporate Authorities reserve the right, however, to make any investment of such moneys permitted by Illinois law and this ordinance, if, when and to the extent that Section 148 of the Code or applicable Income Tax Regulations shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of Bond Counsel of recognized competence in such matters, result in making the interest on any of the Bonds subject to federal income taxation. The Corporate Authorities further reserve the right to apply any applicable

arbitrage rebate exception, with respect to which the Village President or other authorized officer is authorized to make applicable elections and otherwise act.

**Section 16. Refunding Bonds.** Refunding obligations issued to refund, whether at or in advance of maturity, Bonds issued under this ordinance, may be issued by the Corporate Authorities hereunder, and, upon such issuance, shall be “Bonds” as defined hereunder, subject to the limitations hereof.

**Section 17. Payment and Discharge.** The Bonds may be discharged, payment provided for, and the Issuer’s liability terminated, in whole or in part, as follows:

(a) **Discharge of Indebtedness.** If (i) the Issuer shall pay or cause to be paid to the registered owners of the Bonds the principal, premium, if any, and interest to become due thereon at the times and in the manner stipulated therein and herein, (ii) all fees and expenses of the Bond Registrar and Paying Agent shall have been paid, and (iii) the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this ordinance expressed as to be kept, performed and observed by it or on its part, then these presents and the rights hereby granted shall cease, determine and be void. If the Issuer shall pay or cause to be paid to the registered owners of all outstanding Bonds of a particular series, or of a particular maturity within a series, the principal, premium, if any, and interest to become due thereon at the times and in the manner stipulated therein and herein, such Bonds shall cease to be entitled to any lien, benefit or security under this ordinance, and all covenants, agreements and obligations of the Issuer to the registered owners of such Bonds shall thereupon cease, terminate and become void and discharged and satisfied.

(b) **Provision for Payment.** Bonds for the payment or redemption of which sufficient monies or sufficient Government Securities shall have been deposited with the Paying Agent (whether upon or prior to the maturity or the redemption date of such Bonds) shall be deemed to be paid within the meaning of this ordinance and no longer outstanding under this ordinance; provided, however, that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given as provided in this ordinance or arrangements satisfactory to the Bond Registrar (including Certified Public Accountant verifications and opinions of Bond Counsel, as requested) shall have been made for the giving thereof. Government Securities shall be considered sufficient only if such investments are not redeemable prior to maturity at the option of the issuer thereof and mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal and redemption premiums if any when due on the Bonds without rendering the interest on any Bonds taxable under the Code. The Issuer may at any time surrender to the Bond Registrar for cancellation by it any Bonds previously authenticated and delivered hereunder, which the Issuer may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) **Termination of Issuer’s Liability.** Upon the discharge of indebtedness under paragraph (a) hereof, or upon the deposit with the Paying Agent or another appropriate fiscal agent of sufficient money and Government Securities (such sufficiency being determined as provided in paragraph (b) hereof) for the retirement of any particular Bond or Bonds, all

liability of the Issuer in respect of such Bond or Bonds shall cease, determine and be completely discharged and the registered owners thereof shall thereafter be entitled only to payment out of the money and the proceeds of the Government Securities deposited as herein described for their payment.

**Section 18. Ordinance a Contract.** The provisions of this ordinance shall constitute a contract between the Issuer and the registered owners of the Bonds, and no changes, additions or alterations of any kind shall be made hereto, except as herein provided.

**Section 19. Amendment.** The rights and obligations of the Issuer and of the registered owners of outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the Corporate Authorities with the written consent of the Insurer, if any, and of the registered owners of not less than two-thirds (2/3rds) of the principal amount of all outstanding Bonds (excluding any of such Bonds owned by or under the control of the Issuer) affected by any such supplemental ordinance, other than amendments not prejudicial to the rights of the registered owners of the Bonds (which may be conclusively determined by receipt of an approving opinion of Bond Counsel); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority, other than as herein provided, of any outstanding Bond or outstanding Bonds over any other outstanding Bond or outstanding Bonds, or otherwise alter or impair the obligation of the Issuer to pay the principal of and interest on any of the outstanding Bonds at the time, place, rate, and in the currency provided herein, or alter or impair the obligations of the Issuer with respect to registration, transfer, exchange or notice or redemption of Bonds, without the written consent of the registered owners of all the outstanding Bonds affected; nor shall such modification or amendment reduce the percentage of the registered owners of outstanding Bonds required for the written consent of such modification or amendment without the written consent of the registered owners of all of the outstanding Bonds.

**Section 20. Partial Invalidity.** If any section, paragraph, clause or provision of this ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

**Section 21. Registered Form.** The Issuer recognizes that Section 149 of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Bonds are delivered. In this connection, the Issuer agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

**Section 22. Bond Registrar and Paying Agent.** The Bond Registrar shall maintain a list of the names and addresses of the registered owners of all Bonds and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor registered owner. If requested by a Bond Registrar and/or Paying Agent, the Village President of the Issuer is authorized to execute the Bond Registrar's and/or Paying Agent's standard form of agreement between the Issuer and the Bond Registrar and/or

Paying Agent with respect to the obligations and duties of the Bond Registrar and/or Paying Agent hereunder, which may include the following:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of registered owners of Bonds as set forth herein and to furnish such list to the Issuer upon request, but otherwise to the extent lawful to keep such list confidential;
- (c) to give notices of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the Issuer at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the Issuer at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

In any event the foregoing (a)-(f) shall apply to the Bond Registrar and Paying Agent. The Village Clerk is hereby directed to file a certified copy of this ordinance with the Bond Registrar and Paying Agent.

**Section 23. Prior Inconsistent Proceedings.** All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this ordinance, are to the extent of such conflict hereby repealed.

**Section 24. Immunity of Officers and Employees.** No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this ordinance contained against any past, present or future Village President, Trustee or other officer, employee or agent of the Issuer, or of any successor public corporation, as such, either directly or through the Issuer or any successor public corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, council members, employees or agents as such is hereby expressly waived and released as a condition of and consideration for the passage of this ordinance and the issuance of the Bonds.

**Section 25. Not Private Activity Bonds.** None of the Bonds is a “private activity bond” as defined in Section 141(a) of the Code. In support of such conclusion, the Issuer certifies, represents and covenants as follows:

(a) No direct or indirect payments in violation of Section 141 of the Code are to be made on any Bond with respect to any private business use by any person other than a state or local governmental unit or private security or payment.

(b) None of the proceeds of the Bonds is to be used, directly or indirectly, in violation of Section 141 of the Code to make or finance loans to persons other than a state or local governmental unit.

**Section 26. Arbitrage Rebate.** The Issuer recognizes that the provisions of Section 148 of the Code require a rebate to the United States in certain circumstances. In this connection the Issuer will execute a Tax Regulation Agreement and hereby covenants, represents and certifies as follows:

(a) The Issuer is a local governmental unit with general taxing powers.

(b) No Bond in this issue is a “**private activity bond**” as defined in Section 141(a) of the Code.

(c) All the net proceeds of the Bonds are to be used for the local government activities of the Issuer described in this ordinance (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the Issuer). There are no “**subordinate entities**” to the Issuer.

(d) The aggregate face amount of all tax-exempt bonds (other than private activity bonds as defined in the Code) issued by the Issuer (and all subordinate entities thereof) during the calendar year in which the Bonds are issued is reasonably expected to exceed \$5,000,000 within the meaning of Section 148(f)(4)(D) of the Code.

(e) To the extent that such \$5,000,000 amount will be exceeded or in connection with Yield Reduction Payments, the Issuer shall execute and deliver an Arbitrage Regulation Agreement related to this Section 26.

**Section 27. Certain Tax Covenants.** The Issuer agrees to comply with all provisions of the Code which, if not complied with by the Issuer, would cause interest on the Bonds not to be tax-exempt. In furtherance of the foregoing provisions, but without limiting their generality, the Issuer agrees: (a) through its officers, to make such further specific covenants, representations as shall be true, correct and complete, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by Bond Counsel approving the Bonds; (c) to consult with such Bond Counsel and to comply with such advice as may be given; (d) to pay to the United States, if necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (e) to file such forms, statements and supporting documents as may be required and in a timely manner; and (f) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Issuer in such compliance.

One purpose of this Section 27 is to set forth various facts regarding the Bonds and to establish the expectations of the Corporate Authorities and the Issuer as to future events regarding the Bonds and the use of Bond proceeds. The certifications and representations made herein and at the time of the issuance of the Bonds are intended, and may be relied upon, as certifications and expectations described in Section 1.148-O *et seq.* of the Income Tax Regulations dealing with arbitrage and rebate (the “**Regulations**”). The covenants and agreements contained herein and to be made at the time of the issuance of the Bonds are made for the benefit of the registered owners from time to time of the Bonds. The Corporate Authorities and the Issuer agree, certify, covenant and represent as follows:

(a) The Bonds are being issued to finance the refunding of the Prior Bonds and the Project and to pay certain costs of issuance of the Bonds, and all of the amounts received upon the sale of the Bonds, plus all investment earnings thereon (the “**Proceeds**”) are needed for the purpose for which the Bonds are being issued.

(b) Proceeds of the Bonds will be applied as described above in Section 2.

(c) The Issuer has on hand no funds which could legally and practically be used for refunding the Prior Bonds and for the Project which are not pledged, budgeted, earmarked or otherwise necessary to be used for other purposes. Accordingly, no portion of the Proceeds will be used (i) directly or indirectly to replace funds of the Issuer or any agency, department or division thereof that could be used as herein provided, or (ii) to replace any proceeds of any prior issuance of obligations by the Issuer. No portion of the Bonds is being issued solely for the purpose of investing Proceeds at a Yield higher than the Yield on the Bonds. For purposes of this Section 27, “**Yield**” or “**yield**” means that yield (that is, the discount rate) which when used in computing the present worth of all payments of principal and interest to be paid on an obligation (using semi-annual compounding on the basis of a 360-day year) produces an amount equal to the purchase price of the obligation, including accrued interest. The “**issue price**” of the Bonds is equal to the first offering price at which more than 10% of the principal amount of each maturity of the Bonds is sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers).

(d) All principal proceeds of the Bonds, not directly applied for refunding the Prior Bonds or to pay for the Policy or other issuance costs, as the case may be, will be deposited in the Expense Fund or the Project Account of the Proceeds Fund and used to pay costs of issuance of the Bonds, and any accrued interest and premium received on the delivery of the Bonds will be deposited in the Debt Service Fund and used to pay the first interest due on the Bonds. Earnings on investment of moneys in any fund or account will be credited to that fund or account. Issuance costs of the Bonds will be paid from the Proceeds Fund or Expense Fund, and no other moneys are expected to be deposited therein. Interest on and principal of the Bonds will be paid from the Debt Service Fund. Except for refunding the Prior Bonds, proceeds will not be used for the purpose of paying principal or interest on any issue of bonds, notes, certificates or warrants or on any installment contract or other obligation of the Issuer or for the purpose of replacing any funds of the Issuer used for such purpose.

(e) The Debt Service Fund (except the Pledged Account) is established to achieve a proper matching of revenues and earnings with debt service in each Bond Year (i.e., each December 16 - December 15 period). Other than any amounts held to pay principal of matured Bonds that have not been presented for payment, it is expected that any moneys deposited in the Debt Service Fund will be spent within the 12-month period beginning on the date of deposit therein. Any earnings from the investment of amounts in the Debt Service Fund will be spent within a one-year period beginning on the date of receipt of such investment earnings. Other than any amounts held to pay principal of matured Bonds that have not been presented for payment, it is expected that the Debt Service Fund will be depleted at least once a year, except for a reasonable carryover amount not to exceed the greater of (i) one-year's earnings on the investment of moneys in the Debt Service Fund or (ii) in the aggregate one-twelfth (1/12th) of the annual debt service on the Bonds.

(f) Other than the Debt Service Fund, no funds or accounts have been or are expected to be established, and no moneys or property have been or are expected to be pledged (no matter where held or the source thereof) which will be available to pay, directly or indirectly, the Bonds or restricted so as to give reasonable assurance of their availability for such purposes. Except for Proceeds applied to pay the cost of a Policy, if any, no property of any kind is pledged to secure, or is available to pay, obligations of the Issuer to any credit enhancer or liquidity provider.

(g) (i) All amounts on deposit in the Expense Fund, or the Proceeds Fund or the Debt Service Fund and all Proceeds, no matter in what funds or accounts deposited ("**Gross Proceeds**"), to the extent not exempted in (ii) below, and all amounts in any fund or account pledged directly or indirectly to the payment of the Bonds which will be available to pay, directly or indirectly, the Bonds or restricted so as to give reasonable assurance of their availability for such purpose contrary to the expectations set forth in (f) above, shall be invested at market prices and at a Yield not in excess of the Yield on the Bonds plus, for any amounts in the Expense Fund and Project Account only, 1/8 of 1%.

(ii) The following may be invested without Yield restriction:

(A) amounts invested in obligations described in Section 103(a) of the Code (but not specified private activity bonds as defined in Section 57(a)(5)(C) of the Code), the interest on which is not includable in the gross income of any registered owner thereof for federal income tax purposes ("**Tax-Exempt Obligations**");

(B) amounts deposited in the Debt Service Account that are reasonably expected to be expended within 13 months from the deposit date and have not been on deposit therein for more than 13 months;

(C) an amount not to exceed 5% (but not to exceed \$100,000) of Bond proceeds;

(D) all amounts for the first 30 days after they become Gross Proceeds (i.e., the date of deposit in any fund or account securing the Bonds);

(E) all amounts derived from the investment of the Proceeds for a period of one year from the date received; and

(F) all amounts for the Project in the Project Account for a 3-year temporary period.

(h) Subject to (q) below, once moneys are subject to the Yield limits of (g)(i) above, such moneys remain Yield restricted until they cease to be Gross Proceeds.

(i) This subsection (i) incorporates the provisions of Section 10(b) concerning arbitrage rebate and Yield Reduction Payments.

(j) None of the Proceeds will be used, directly or indirectly, to replace funds which were used in any business carried on by any person other than a state or local governmental unit.

(k) The payment of the principal of or the interest on the Bonds will not in violation of Section 141 of the Code, directly or indirectly, be (A) secured by any interest in (i) property used or to be used for a private business use by any person other than a state or local governmental unit, or (ii) payments in respect of such property, or (B) derived from payments (whether or not by or to the Issuer), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit.

(l) None of the Proceeds will be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

(m) No user of the Project or the Prior Projects other than a state or local government unit will use the Project or the Prior Projects on any basis other than the same basis as the general public, and no person other than a state or local governmental unit will be a user thereof as a result of (i) ownership, or (ii) actual or beneficial use pursuant to a lease or a management or incentive payment contract, or (iii) any other similar arrangement.

(n) Beginning on the 15th day prior to the Bond sale date, the Issuer has not sold or delivered, and will not sell or deliver, (nor will it deliver within 15 days after the date of issuance of the Bonds) any other obligations pursuant to a common plan of financing, which will be paid out of substantially the same source of funds (or which will have substantially the same claim to be paid out of substantially the same source of funds) as the Bonds or will be paid directly or indirectly from Proceeds.

(o) No portion of the Project or the Prior Projects are expected to be sold or otherwise disposed of prior to the last maturity of the Bonds.

(p) The Issuer has not been notified of any disqualification or proposed disqualification of it by the Internal Revenue Service as a bond issuer which may certify bond issues under Section 1.148-O *et seq.* of the Regulations.

(q) The Yield restrictions contained in (g) above or any other restriction or covenant contained herein need not be observed and may be changed if the Issuer receives an opinion of Bond Counsel to the effect that such non-observance or change will not adversely affect the tax-exempt status of interest on the Bonds to which the Bonds otherwise are entitled.

(r) The Issuer acknowledges that any changes in facts or expectations from those set forth herein may result in different Yield restrictions or rebate requirements from those set forth herein and that Bond Counsel should be contacted if such changes do occur.

(s) The Corporate Authorities have no reason to believe the facts, estimates, circumstances and expectations set forth herein are untrue or incomplete in any material respect. On the basis of such facts, estimates, circumstances and expectations, it is not expected that the Proceeds or any other moneys or property will be used in a manner that will cause the Bonds to be hedge bonds, arbitrage bonds or private activity bonds within the meaning of Sections 149(g), 148 or 141 of the Code. To the best of the knowledge and belief of the Corporate Authorities, such expectations are reasonable, and there are no other facts, estimates and circumstances that would materially change such expectations.

(t) Execution of an arbitrage agreement or tax compliance agreement related to, among other things, arbitrage rebate and yield reduction payments is authorized.

**Section 28. Qualified Tax-Exempt Obligations.** The Issuer recognizes the provisions of Section 265(b)(3) of the Code which provide that a “**qualified tax-exempt obligation**” as therein defined may be treated by certain financial institutions as if it were acquired on August 7, 1986, for certain purposes. The Issuer, for purposes of Section 265(b)(3) of the Code, hereby designates the Bonds as “**qualified tax-exempt obligations**”.

**Section 29. Policy of Insurer.** The designation in a Bond Order of an Insurer, if any, is hereby authorized, ratified, confirmed and approved. The provisions of a Policy, if any, including the Insurer’s commitment and investment restrictions, are incorporated into this ordinance by reference, including without limitation that any investment restrictions and limitations in the commitment for and related to the Policy shall be deemed to be applicable restrictions and limitations on the Qualified Investments and the investments authorized by this ordinance.

The Insurer's standard package of documents shall be appended to this ordinance as operative provisions of this ordinance by reference, provided that any failure to so spend shall not abrogate, diminish or impair the effect thereof.

In the event there is no Policy, the reference in this ordinance to an Insurer or a Policy shall be given no effect.

**Section 30. Instruments of Further Assurance.** The Issuer covenants that it shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such ordinances and other actions supplemental hereto, and such further acts, agreements, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the owners of the Bonds their interest in the Levied Taxes and other amounts pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds and the application of Bond proceeds, all as herein provided. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or any other person, become and be subject to the lien of this ordinance as fully and completely as though specifically described herein, but nothing contained in this Section 30 shall be deemed to modify or change the obligations of the Issuer under this ordinance. The call and redemption of the Prior Bonds is hereby authorized.

**Section 31. Effective Date.** Pursuant to the Issuer's home rule power and authority this ordinance shall be in full force and effect immediately upon its passage and approval.

**Section 32. Superseder.** This Ordinance supersedes and repeals Ordinance No. 2387, adopted June 10, 2014.
