

SNOW ROUTES

Village of Rantoul

Esri, HERE, Garmin, SafeGraph, GeoTechnologies, Inc, METI/NASA, USGS, EPA, NPS, US Census Bureau, USDA

Corporate Limit
Snow Route

During a snowfall where an accumulation of two or more inches occur, vehicles may not park or remain parked on designated streets. If vehicles are parked on the designated streets, the Rantoul Police Department has authorization to tow the vehicles at the owners' expense. After the snowfall has stopped and all snow has been removed from the designated streets, vehicles may again park in these areas.
