A permit shall be obtained for the scope of work as defined by the applicable code, prior to commencing work in the Village of Rantoul. Where the scope of proposed work is not clear, the Village may require additional information or documentation. The applicant and owner of this property consents to any reasonable inspection of work to determine compliance with Village ordinances, including inspections performed to determine whether a permit is necessary. The applicant acknowledges that he/she has informed the property owner of the inspection requirements necessary to determine compliance. Upon completion of the work, the permit holder shall notify the Village and arrange for an Occupancy Inspection prior to occupying or utilizing the scope of work under the permit. The Village is not responsible for damage or injury as a result of an inspection or failure to inspect. The applicant swears to the truth of the plans, information and documentation provided for permit issuance, and agrees to comply with the Village's adopted ordinances. This application and permit is neither transferrable nor assignable, and may be revoked at any time with a valid reason. This application does not guarantee permit issuance and is not valid without the code official's signature of approval. A facsimile is the same as an original signature.
