(c) In the event there is no Insurer or Policy, references to "Insurer" and "Policy" in this Ordinance shall be given no effect.

Section 2. Findings. The Corporate Authorities hereby find that the matters set forth in the preambles and recitals hereto are true and correct and incorporate them herein by this reference and that it is necessary and in the best interests of the Issuer that the Issuer finance the Project and that the Bonds be issued for such purpose. Proceeds of the Bonds are hereby allocated for such purpose. Section 1-2-4 of the Illinois Municipal Code shall not apply to this Ordinance.

Section 3. Bond Details. There shall be issued the Bonds in the aggregate principal amount of not to exceed \$10,000,000 to (i) finance the Project, (ii) fund a debt service reserve account, and (iii) pay related costs of issuance of the Bonds.

(a) **General.** Each of the Bonds shall be designated: "Taxable General Obligation Bond, Series 2020" with such further appropriate particular designation added to or incorporated in such title for the Bonds as the Issuer may determine. The Bonds shall be dated as of or before the date of issuance of the Bonds as the Underwriter accepts or approves, and shall also bear the date of authentication, shall be in fully-registered form, shall be in denomination of \$5,000 each and authorized integral multiples thereof, shall be numbered 1 and upward in the order of their issuance, and shall bear interest at the rate or rates (but not to exceed 5.00%) and shall mature and become due and payable (subject as hereinafter provided to prior redemption, as applicable) and in the principal amount on January 1 in each of the years commencing on or after 2022 and ending on or before 2041, as shall be specified in a Bond Order.

The Bonds shall bear interest from their date, or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on the first (1st) days of January and July of each year, commencing on the date set forth in the Bond Order. Principal of and premium (if any) on each Bond shall be paid in lawful money of the United States of America, at the designated payment office of the Paying Agent. Interest on each Bond shall be paid from available funds therefor, as provided in this Ordinance, by check or draft of the Paying Agent to the person in whose name such Bond is registered at the close of business on the fifteenth (15th) day (whether or not a business day) of

the calendar month next preceding the interest payment date. Interest on each Bond also may be payable by wire or electronic transfer to (and at the expense of) any registered owner of a Bond or Bonds (as of the applicable record date) holding an aggregate principal amount of \$500,000 or more when such registered owner shall have requested such wire or electronic transfer payment to a bank in the continental United States by written instruction (with sufficient directions, including bank address and routing and account numbers) to the Paying Agent at least fifteen (15) days prior to an interest payment date.

(b) Execution. The Bonds shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Issuer and shall be signed by the manual or duly authorized manual or facsimile signatures of the Village President and Village Clerk of the Issuer, as they shall determine, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

(c) Authentication. All Bonds shall have thereon a certificate of authentication substantially in the form therefor hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Issuer and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

(d) Bond Order. The Bonds shall bear interest at such rates and mature in the principal amount in each year, but not exceeding the aggregate of \$10,000,000, shall be insured, shall be subject to optional redemption and/or mandatory redemption, and shall have such other terms and provisions as set forth in the Bond Order. For purposes of the foregoing and otherwise in this Ordinance, the term “**Bond Order**” shall mean a certificate signed in connection with the Bonds by the Village President, and attested by the Village Clerk and under the seal of the Issuer, setting forth and specifying details of the Bonds, including, as the case may be, but not limited to, reconfiguration of the form of the Bonds if not printed in definitive form, final interest rates, Levied Taxes, dated date, optional and mandatory call provisions, payment dates, conditional call features, issue price, series designation, reoffering premium, original issue discount (“**OID**”), Insurer and Policy, amount of the Reserve Requirement, and the final maturity schedule, under this Ordinance. The Bonds shall be conformed to the Bond Order.

Section 4. Redemption. The Bonds shall be subject to optional redemption prior to maturity as set forth in this Section 4, and not otherwise.

(a) Optional Redemption. Bonds maturing on and after the date specified in a Bond Order shall be subject to optional redemption prior to maturity on and after the date specified in a Bond Order, in whole or in part on any date, in the principal amount from such maturities or in any order of maturity specified by the Issuer (but in inverse order if none is specified) at a redemption price equal to the principal amount to be redeemed, plus accrued interest to the date fixed for redemption.

(b) Mandatory Redemption. This paragraph (b) shall apply only to the extent the Bond Order shall specify any Term Bonds, and otherwise shall not apply. Bonds so specified as Term Bonds (the “**Term Bonds**”), if any, are subject to mandatory sinking fund redemption in the principal amount on January 1 of the years so specified.

At its option before the 45th day (or such lesser time acceptable to the Bond Registrar) next preceding any mandatory sinking fund redemption date in connection with Term Bonds as appropriate certificate of direction and authorization executed by the Village President or Village Comptroller may: **(i)** deliver to the Bond Registrar for cancellation Term Bonds in any authorized aggregate principal amount desired; or **(ii)** furnish the Paying Agent funds for the purpose of purchasing any of such Term Bonds as arranged by the Issuer; or **(iii)** receive a credit (not previously given) with respect to the mandatory sinking fund redemption obligation for such Term Bonds which prior to such date have been redeemed and cancelled. Each such Bond so delivered, previously purchased or redeemed shall be credited at 100% of the principal amount thereof, and any excess shall be credited with regard to future mandatory sinking fund redemption obligations for such Bonds in such order as the Issuer shall specify (but in chronological order if there is no such specification), and the principal amount of Bonds to be so redeemed as provided shall be accordingly reduced. In the event Bonds being so redeemed are in an amount greater than \$5,000, a portion of such Bonds may be so redeemed, but such portion shall be in the principal amount of \$5,000 or any authorized integral multiple thereof.

(c) Procedure. The Issuer covenants that it will redeem Bonds pursuant to the redemption provisions applicable to such Bonds. Proper provision for redemption having been made, the Issuer covenants that the Bonds so selected for redemption shall be payable as at maturity.

The Issuer shall, at least 45 days prior to an optional redemption date (unless a shorter time shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the principal amount of Bonds to be redeemed. No such notice shall be required in the case of mandatory redemption under subsection (b) above. In the event that less than all of the Bonds of a particular maturity are called for redemption as aforesaid, as necessary, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days or less than thirty (30) days prior to the redemption date by the Bond Registrar by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion. The Bond Registrar shall promptly notify the Issuer in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, presentment for payment being conclusively such a waiver, notice of any such redemption shall be given by the Bond Registrar on behalf of the Issuer by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by each such registered owner to the Bond Registrar.

All notices of redemption shall include at least the information as follows: (1) the identification of the particular Bonds to be redeemed; (2) the redemption date; (3) the redemption price; (4) if less than all of the Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed; (5) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after such date; and (6) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Paying Agent.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, together with accrued interest, and from and after such date (unless the Issuer shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice nor any defect in any notice so mailed to any particular registered owner of a Bond shall affect the sufficiency of such notice with respect to any other registered owner. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or the redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid from available funds therefor by the Paying Agent at the redemption price. Interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for the partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal, and premium, if any, shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be marked cancelled by the Bond Registrar and shall not be reissued.

In addition to the foregoing notice set forth above, further notice shall be given by the Bond Registrar on behalf of the Issuer as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further

notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

Each such further notice of redemption shall be sent at least thirty (30) days before the redemption date to all registered securities depositories then holding any Bonds and, in the Bond Registrar's sole discretion, to one or more national information services that disseminate notice of redemption of obligations such as the Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall identify the Bond or Bonds, or portion thereof, being redeemed with the proceeds of such check or other transfer.

Section 5. Registration of Bonds and Book-Entry. The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein and related to book-entry only registration.

(a) General This subsection (a) is subject to the provisions of subsection (b) concerning book-entry only provisions. The Issuer shall cause books (the "Bond Register") for the registration and for the transfer of the Bonds as provided in this Ordinance to be kept at the designated corporate trust office of the Bond Registrar, which is hereby constituted and appointed the Bond Registrar of the Issuer. The Issuer is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the Issuer for use in the issuance from time to time of the Bonds and in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the designated corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by the registered owner or such owner's attorney duly authorized in writing, the Issuer shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at the designated office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the Issuer of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the fifteenth (15th) day of the calendar month next preceding any interest payment date on such Bond and ending on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for prepayment has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of prepayment and redemption of any Bonds.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any Bond shall be made only to or upon the order of the registered owner thereof or such registered owner's legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the Issuer or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds exchanged in the case of the issuance of a Bond or Bonds for the outstanding portion of a Bond surrendered for redemption.

(b) Book-Entry-Only Provisions. Unless otherwise set forth in the Bond Order, the Bonds shall be issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register therefor in a street name of the Depository, or any successor thereto, as nominee of the Depository. The Outstanding Bonds from time to time shall be registered in the Bond Register in a street name, as nominee of the Depository. If not already done, the Village President or Village Comptroller is authorized to execute and deliver on behalf of the Issuer such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the "**Representation Letter**"). Without limiting the generality of the authority given to the Village President or Village Comptroller with respect to entering into such Representation Letter, it may contain provisions relating to **(a)** payment procedures, **(b)** transfers of the Bonds or of beneficial interest therein, **(c)** redemption notices and procedures unique to the Depository, **(d)** additional notices or communications, and **(e)** amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of a nominee of the Depository, the Issuer and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "**Depository Participant**") or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the foregoing, the Issuer and the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to **(a)** the accuracy of the records of the Depository, the nominee, or any Depository Participant with respect to any ownership interest in the Bonds, **(b)** the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or **(c)** the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds.

As long as the Bonds are held in a book-entry-only system, no person other than the nominee of the Depository, or any successor thereto, as nominee for the Depository, shall

receive a Bond certificate with respect to any Bonds. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of the prior nominee, and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds as of the close of business on the fifteenth (15th) day of the month next preceding the applicable interest payment date, the reference herein to nominee in this Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the Issuer determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the Issuer, the Bond Registrar, the Paying Agent and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the Issuer determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall notify the Depository and the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of a nominee of the Depository. At that time, the Issuer may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the Issuer, or such depository's agent or designee, and if the Issuer does not select such alternate book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of a nominee of the Depository, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

Section 6. General Obligation. The Bonds are and constitute general obligations of the Issuer to which are pledged the full faith and credit of the Issuer, including a levy of direct annual taxes without limit as to rate or amount sufficient to pay when due the principal thereof and interest thereon, constituting the Levied Taxes. The Issuer reserves the right to apply designated available revenues to the payment of the Bonds and to abate the Levied Taxes with respect to which such designated available revenues have been applied, as provided in Section 8, and not otherwise.

Section 7. Form of Bonds. With appropriate completion of blanks and other modifications, including, as the case may be, reordering of paragraphs, the inclusion of the printer's abbreviations with respect to the status of registered ownership and an Insurer's standard Statement of Insurance, and, while the Bonds are held by the Depository in full book entry form, a schedule with respect to prepayments upon redemption showing the date of prepayment, the principal amount prepaid, the interest paid, the principal balance and the Paying Agent's endorsement, the Bonds shall be in substantially the form as follows:

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the fifteenth (15th) day of the calendar month next preceding any interest payment date on such Bond and ending on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for prepayment has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of prepayment and redemption of any Bonds.

The Issuer, the Paying Agent and the Bond Registrar may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof, premium, if any, and interest due hereon and for all other purposes and neither the Issuer nor the Paying Agent or Bond Registrar shall be affected by any notice to the contrary.

[Insert and adapt, as applicable: Bonds maturing on and after January 1, 20__, shall be subject to optional redemption prior to maturity on and after January 1, 20__, in whole or in part on any date, in the principal amount from such maturities or in any order of maturity specified by the Issuer (but in inverse order if none is specified), at a redemption price equal to the principal amount to be redeemed, plus accrued interest to the date fixed for redemption.]

[Insert and adapt, as applicable: Bonds maturing on January 1 of the years 20__, 20__ and 20__ are Term Bonds (the “**Term Bonds**”) and are subject to mandatory sinking fund redemption in the principal amount on January 1 in each year, as follows:

It is hereby certified and recited that all conditions, acts and things required by the constitution and laws of the State of Illinois to exist or to be done precedent to and in the issuance of this Bond, have existed and have been properly done, happened and been performed in regular and due form and time as required by law; that the indebtedness of the Issuer, represented by the Bonds of which this Bond is one, and including all other indebtedness of the Issuer, howsoever evidenced or incurred, does not exceed any constitutional or statutory or other lawful limitation; and that provision has been made for the levy of ad valorem taxes without limit as to rate or amount on all taxable property within the Issuer’s corporate limits to pay when due the principal of and interest on the Bonds of which this Bond is one.

Unless waived by the registered owner of Bonds to be redeemed, notice of any such redemption shall be given by the Bond Registrar on behalf of the Issuer by mailing the redemption notice by first class mail not less than thirty (30) days and not more than sixty (60) days prior to the date of fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a

Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice.

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of the redemption) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid by the Paying Agent at the redemption price. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

The rights and obligations of the Issuer and of the registered owners of the Bonds may be modified or amended at any time with the consent of the Issuer and of the registered owners of not less than two-thirds (2/3rds) in principal amount of Outstanding Bonds in the manner, to the extent, and upon the terms provided in the Bond Ordinance, provided that no such modification or amendment shall extend the maturity or reduce the interest rate on or otherwise alter or impair the obligation of the Issuer to pay the principal, interest or redemption premium, if any, from the designated sources therefor, in the manner at the time and place and at the rate and in the currency provided therein of any Bond without the express consent of the registered owner of such Bond, or permit the creation of a preference or priority of any Bond or Bonds over any other Bond or Bonds, or reduce the percentage of Bonds required for the affirmative vote or written consent to an amendment or modification, all as more fully set forth in the Bond Ordinance.

The Issuer, the Bond Registrar and the Paying Agent may deem and treat the registered owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes, and the Issuer, the Bond Registrar and the Paying Agent shall not be affected by any notice to the contrary.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar. Notwithstanding any other provision hereof, at any time that the Bonds are registered in the name of a securities depository or its nominee, the manner and timing of payment of Bonds shall be governed by the agreement entered into with such securities depository.

Section 8. Tax Levy. For the purpose of providing funds required to pay the interest on the Bonds promptly when and as the same falls due, and to pay and discharge the principal thereof at maturity or upon mandatory redemption, there is hereby levied upon all of the taxable property within the Village of Rantoul, Illinois, in the years for which any of the Bonds are outstanding, a direct annual tax sufficient for the purpose; and there are hereby levied on all of the taxable property in the Village of Rantoul, Illinois, in addition to all other taxes, with a reasonable allowance for delinquencies under Section 16 of the Local Government Debt Reform Act, direct annual taxes (constituting the Levied Taxes) for the levy years commencing not before 2020 and ending not later than 2040, as shall be specified in the Bond Order.

Available revenues and receipts from funds on hand (and not subject to a prior pledge) shall be deposited into the Principal and Interest Account and applied to pay first debt service on Bonds or to reimburse the Issuer for such payments. Principal of and interest on the Bonds coming due at any time when there are insufficient funds on hand from the Levied Taxes to pay the same shall be paid promptly when due from current funds on hand (and not subject to a prior pledge) in advance of the collection of the Levied Taxes herein levied; and when the Levied Taxes shall have been collected, reimbursement shall be made to such funds in the amount so advanced.

Whenever funds from any lawful source are irrevocably on deposit in the Principal and Interest Account for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the taxes levied herein for the payment of same, the Corporate Authorities shall, by proper proceedings, direct the irrevocable deposit of such funds into the Principal and Interest Account and further shall direct or through appropriate officers certify the abatement of the taxes by the amount so deposited. A certified copy of any such certificate of abatement and of any such proceedings abating taxes shall be filed with the County Clerk of The County of Champaign, Illinois, in a timely manner to effect such abatement. Abatement to reflect lower principal and/or interest rates than provided in Section 3 is authorized.

The Issuer covenants and agrees with the purchasers and owners of the Bonds that so long as any of the Bonds remain outstanding and unless and to the extent that moneys are then irrevocably on deposit in the Principal and Interest Account, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the Issuer to levy and collect the foregoing tax levy. The Issuer and its officers will comply with all present and future applicable laws in order to assure that the Levied Taxes may be levied, extended, collected and deposited into the Principal and Interest Account, all as provided herein. Levied Taxes when received by or on behalf of the Issuer shall be directly deposited into the Principal and Interest Account.

Section 9. Filing with County Clerk. Promptly, as soon as this Ordinance becomes effective and prior to issuance of any Bonds, a copy of this Ordinance, certified by the Issuer's Village Clerk, shall be filed with the County Clerk of The County of Champaign, Illinois; and such County Clerk shall in and for each of the years authorized in Section 8, ascertain the rate percent required to produce the aggregate tax hereinbefore provided to be levied in each such year and in such County; and such County Clerk shall extend the same for collection on the tax books in connection with any other taxes that may be levied in each such

year in and by the Issuer for general corporate purposes of the Issuer; and in each such year such annual tax shall be levied and collected by and for and on behalf of the Issuer in like manner as provided by law for the levy and collection of taxes for general corporate purposes for each such year, without limit as to either rate or amount, and in addition to and in excess of all other taxes.

Section 10. Special Accounts. There are hereby created and established the following special accounts of the Issuer, which are trust funds established for the purpose of carrying out the covenants, terms and conditions imposed upon the Issuer by this Ordinance: (i) the “Principal and Interest Account” and (ii) the “Reserve Account.”

(a) **The Principal and Interest Account.** The Village Comptroller or other appropriate financial officer shall first credit to and upon receipt shall immediately deposit into the Principal and Interest Account all funds allocated and pledged by the Corporate Authorities to pay debt service on the Bonds and receipts of any Levied Taxes extended and collected for such purpose. Such funds and Levied Taxes shall be immediately credited in full to the Principal and Interest Account. Moneys to the credit of the Principal and Interest Account shall be used solely and only for the purpose of paying principal of and redemption premium, if any, and interest on the Bonds, as the same become due upon maturity, redemption or otherwise.

(b) **The Reserve Account.** All amounts paid and credited to the Reserve Account shall be expended and used by the Issuer solely for the payment of the principal of and redemption premium, if any, and interest on the Bonds if sufficient moneys therefor are not available in the Principal and Interest Account. In the event the balance of moneys in the Principal and Interest Account is insufficient to pay principal of or interest on the Bonds when due and payable, moneys in the Reserve Account shall be transferred into the Principal and Interest Account in an amount sufficient to make up such deficiency. The Issuer may use moneys in the Reserve Account for such purpose whether or not the amount in the Reserve Account at that time equals the Reserve Requirement. Such moneys shall be used first to make up any deficiency in the payment of interest and then principal. Moneys in the Reserve Account shall also be used to pay the last Bonds becoming due.

The Issuer shall determine the value of cash and Qualified Investments in the Reserve Account annually each December 1 and at the time of any withdrawal from the Reserve Account. If on any such valuation date, the value of cash and Qualified Investments on deposit in the Reserve Account is less than the Reserve Requirement, or at any time any amount is withdrawn from the Reserve Account for the purposes described above, the Issuer shall make up such deficiency by making payment of such deficiency in twelve equal monthly installments. If at any time of valuation, the value of cash and Qualified Investments on deposit in the Reserve Account is in excess of the Reserve Requirement, the Issuer shall transfer the amount of such excess to the Principal and Interest Account.

(c) **Investments.** The moneys on deposit in the Project Fund and the accounts in (a) and (b) above may be invested from time to time in Qualified Investments. Any such investments may be sold from time to time by the Issuer as moneys may be needed for the purposes for which the Project Fund and such accounts have been created. In addition, the Village Comptroller or other appropriate financial officer shall sell such investments when

necessary to remedy any deficiency in the Project Fund or such accounts created in (a) and (b) above. Investments shall be valued by the Issuer at the lower of cost or market.

Section 11. General Covenants. The Issuer covenants and agrees with the owners of the Bonds, that so long as any Bonds remain outstanding and unpaid:

(a) The Issuer will punctually pay or cause to be paid the principal of, interest on and premium, if any, to become due in respect of the Bonds in strict conformity with the terms of the Bonds and this Ordinance, and it will faithfully observe and perform all of the conditions, covenants and requirements hereof.

(b) The Issuer will pay and discharge, or cause to be paid and discharged any and all lawful claims which, if unpaid, might become a lien or charge upon the funds pledged to pay debt service on the Bonds, including the Levied Taxes, or any part thereof, or upon any funds in the hands of the Paying Agent, or which might impair the security of the Bonds. Nothing herein contained shall require the Issuer to make any such payment so long as the Issuer in good faith shall contest the validity of such claims.

(c) The Issuer will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Issuer, in which complete and correct entries shall be made of all transactions relating to funds pledged to pay debt service on the Bonds, including the Levied Taxes. Such books of record and accounts shall at all times during business hours of the Issuer be subject to the inspection of the registered owners of not less than ten per cent (10%) (or such lesser percentage as may be required by applicable law) of the principal amount of the Bonds then outstanding, or their representatives authorized in writing.

(d) The Issuer will preserve and protect the security of the Bonds and the rights of the owners of the Bonds, including without limitation the right at all times to receive and apply the funds pledged to pay debt service on the Bonds, including the Levied Taxes, in the manner, at the time and with the effect contemplated by this Ordinance, with respect to which, among other things, the Issuer covenants to strictly comply with all requirements of applicable law in connection therewith and herewith, and will warrant and defend their rights against all claims and demands of all persons.

(e) The Issuer will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and for the better assuring and confirming unto the registered owners and beneficial owners of the Bonds, the Paying Agent and the Bond Registrar of the rights and benefits provided in this Ordinance.

(f) As long as any Bonds are Outstanding, the Issuer will continue to deposit the funds pledged to pay debt service on the Bonds, including the Levied Taxes, to the Principal and Interest Account. The Issuer covenants and agrees with the owners thereof that so long as any Bonds remain outstanding, the Issuer will take no action or fail to take any action which in any way would adversely affect the ability of the Issuer to collect and apply the Levied Taxes in accordance with this Ordinance. The Issuer and its officers will comply with applicable law and

with all present and future applicable laws in order to assure that such taxes may be collected as provided herein and deposited into the Principal and Interest Account and applied in accordance with this Ordinance.

(g) The Issuer will timely and fully comply with all requirements of applicable law, including particularly filing, all reporting and other requirements, to maintain its right to receive Levied Taxes.

(h) After their issuance, the Bonds shall be incontestable by the Issuer, to the extent lawful.

Section 12. Sale of the Bonds. The Bonds hereby authorized shall be sold and executed as in this Ordinance provided as soon after the passage hereof as may be, and the proceeds from such sale, to the extent not directly applied to pay the premium of an Insurer's Policy, or other costs of issuance (including as arranged by the Underwriter, with an appropriate credit against the purchase price for the Bonds) of the Bonds at the time the Bonds as issued, which application upon presentation of statements therefor is expressly authorized, shall thereupon be deposited with the Village President or Village Comptroller of the Issuer, and be by the Village President or the Village Comptroller delivered to or at the direction of the Underwriter in accordance with the terms and provisions of the Bond Purchase Agreement, upon receipt of the purchase price therefor, the same being the purchase price set forth in the Bond Purchase Agreement (plus accrued interest, if any, to date of delivery), with credits, if any, against the purchase price under the Bond Purchase Agreement, including with respect to funding issuance costs. The Official Statement, the Bond Purchase Agreement and the Disclosure Undertaking are in all respects ratified, approved and confirmed, it being hereby found and determined that such Bond Purchase Agreement and Disclosure Undertaking are in the best interests of the Issuer and that no person holding an office of the Issuer either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name or in the name of any other person, association, trust or corporation, in the Bond Purchase Agreement.

The Issuer hereby authorizes and approves the Official Statement to be used in the offering and sale of the Bonds. The Issuer hereby deems the Official Statement to be final, as provided in and subject to appropriate supplements under Rule 15c2-12 of the Securities and Exchange Commission. The Issuer will cooperate with the Underwriter in connection with the compliance by the Underwriter with requirements of such Rule 15c2-12 and applicable rules of the Municipal Securities Rulemaking Board.

Section 13. Use of Bond Proceeds. The proceeds derived from the sale of the Bonds shall be used as follows:

(a) Accrued interest, if any, received by the Issuer upon the sale of the Bonds and capitalized interest or other applicable funds, if any, following the delivery of the Bonds, shall be remitted for deposit in the Principal and Interest Account and shall be used to pay first interest coming due on the Bonds.

(b) The Issuer shall then allocate from Bond proceeds, and other available funds, in excess of the requirements in (a) above, a sum necessary to fund the Reserve Account in the amount of the Reserve Requirement.

(c) Remaining funds, if any, net of amounts directly applied at closing to pay issuance costs, shall be set aside in a separate fund hereby created and designated as the Project Fund (the “**Project Fund**”). Money in the Project Fund shall be withdrawn from time to time as needed for the payment of Project costs and issuance expenses, and such money shall be disbursed by the Issuer from time to time only upon submission to the Village Comptroller or other appropriate financial officer of the following (provided that no such submissions shall be required to pay issuance costs):

(i) If such disbursement is for payment to a supplier, materialman, or contractor for work done or authorized costs incurred, documentation as is acceptable to the Village Comptroller with respect to similar work and projects and/or a Requisition as provided below and a certificate executed by the engineer or architect in charge of the Project stating the amount of materials supplied or the nature of the work completed, that such materials have been properly accepted or such work approved by such engineer or architect, the amount due and payable thereon, and the amount remaining to be paid in connection with such costs accompanied, as appropriate, by contractors, affidavits and mechanics’ lien waivers; and

(ii) A duplicate copy of a requisition signed by the Village Comptroller or another appropriate officer of the Issuer, stating specifically the purpose for which the Requisition is issued and indicating that the payment for which the Requisition is issued is authorized, and in the case of any questions in that regard, such that the Village Comptroller does not approve a Requisition for payment, other than for issuance costs, that it has been approved by the Corporate Authorities.

Each “**Requisition**” for funds in connection with Bond proceeds, in addition to any other specific requirement of this Ordinance, shall be signed on behalf of the Issuer by the Village Comptroller and shall contain, as appropriate in the particular case, certain representations, as follows: (1) the name of the person, firm or corporation to whom or which payment is due; (2) the amount to be paid; (3) the purpose for which such payment is to be made; (4) that such payment is due and has not been included in any prior disbursement Requisition which has been paid; (5) that there has not been filed with or served upon the Issuer notice of any lien, right to lien, or attachment upon or claim affecting the right to receive payment of any moneys payable to any named payee of the Issuer which has not been released, bonded or insured over concurrently with the payment of such obligations, and in any event, amounts will only be withheld to the extent of the liens in question; and (6) except in the case of costs of issuance related to Bonds, that the work, materials or equipment with respect to which payment is to be made has been performed or the applicable Project costs have been expended and that the Issuer has acquired good and merchantable title or perpetual easements to all real and personal property acquired by or on behalf of the Issuer.

Within sixty (60) days after full depletion of the Project Fund or payment of all related costs, as herein referred to, and as heretofore approved by the Corporate Authorities, the Village President shall certify to the Corporate Authorities the fact of such depletion or the engineer or architect in responsible charge of the expenditures shall certify to the Corporate Authorities the fact that the work has been completed according to approved plans and specifications, as applicable, and upon approval of such certification by the Corporate Authorities, funds (if any) remaining in the Project Fund shall be credited by the Village Comptroller or other appropriate financial officer to the Principal and Interest Account and the Project Fund shall be closed.

Funds on deposit in the Project Fund may be invested by the Village Comptroller or other appropriate financial officer in Qualified Investments. All investment earnings in a Project Fund shall be credited to the Project Fund.

Section 14. Payment and Discharge. The Bonds may be discharged, payment provided for, and the Issuer's liability terminated, in whole or in part, as follows:

(a) **Discharge of Indebtedness.** If (i) the Issuer shall pay or cause to be paid to the owners of the Bonds the principal, premium, if any, and interest to become due thereon at the times and in the manner stipulated therein and herein, (ii) all fees and expenses of the Bond Registrar and Paying Agent shall have been paid, and (iii) the Issuer shall keep, perform and observe all and singular the covenants and promises in the Bonds and in this Ordinance expressed as to be kept, performed and observed by it or on its part, then these presents and the rights hereby granted shall cease, determine and be void. If the Issuer shall pay or cause to be paid to the owners of all Outstanding Bonds of a particular maturity, the principal, premium, if any, and interest to become due thereon at the times and in the manner stipulated therein and herein, such Bonds shall cease to be entitled to any lien, benefit or security under this Ordinance, and all covenants, agreements and obligations of the Issuer to the owners of such Bonds shall thereupon cease, terminate and become void and discharged and satisfied.

(b) **Provision for Payment.** Bonds for the payment or redemption of which sufficient monies or sufficient Government Securities shall have been deposited with the Paying Agent or another appropriate escrow agent (whether upon or prior to the maturity or the redemption date of such Bonds) shall be deemed to be paid within the meaning of this Ordinance and no longer outstanding under this Ordinance; provided, however, that if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption shall have been duly given as provided in this Ordinance or arrangements satisfactory to the Bond Registrar (including certified public accountant verifications and opinions of Bond Counsel) shall have been made for the giving thereof. Government Securities shall be considered sufficient only if such investments are not redeemable prior to maturity at the option of the issuer thereof and mature and bear interest in such amounts and at such times as will assure sufficient cash to pay currently maturing interest and to pay principal and redemption premiums if any when due on the Bonds. The Issuer may at any time surrender to the Bond Registrar for cancellation by it any Bonds previously authenticated and delivered hereunder, which the Issuer may have acquired in any

manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

(c) **Termination of Issuer's Liability.** Upon the discharge of indebtedness under paragraph (a) hereof, or upon the deposit with the Paying Agent or another appropriate escrow agent of sufficient money and Government Securities (such sufficiency being determined as provided in paragraph (b) hereof) for the retirement of any particular Bond or Bonds, all liability of the Issuer in respect of such Bond or Bonds shall cease, determine and be completely discharged and the registered owners thereof shall thereafter be entitled only to payment out of the money and the proceeds of the Government Securities deposited as herein described for their payment.

Section 15. Ordinance a Contract. The provisions of this Ordinance shall constitute a contract between the Issuer and the registered owners of the Bonds, and no changes, additions or alterations of any kind shall be made hereto, except as herein provided.

Section 16. Amendment. The rights and obligations of the Issuer and of the registered owners of Outstanding Bonds may from time to time be modified or amended by a supplemental ordinance adopted by the Corporate Authorities with the written consent of the registered owners of not less than two-thirds (2/3rds) of the principal amount of all Outstanding Bonds (excluding any of such Bonds owned by or under the control of the Issuer) other than amendments not prejudicial to the rights of the registered owners of the Bonds (which may be conclusively determined by receipt of an approving opinion of Bond Counsel); provided, however, that no such modification or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority, other than as herein provided, of any Outstanding Bond or Outstanding Bonds over any other Outstanding Bond or Outstanding Bonds, or otherwise alter or impair the obligation of the Issuer to pay from pledged funds and Levied Taxes the principal of and interest on any of the Outstanding Bonds at the time, place, rate, and in the currency provided herein, or alter or impair the obligations of the Issuer with respect to registration, transfer, exchange or notice or redemption of Bonds, without the written consent of the registered owners of all the Outstanding Bonds affected; nor shall such modification or amendment reduce the percentage of the registered owners of Outstanding Bonds required for the written consent of such modification or amendment without the written consent of the registered owners of all of the Outstanding Bonds.

Section 17. Partial Invalidity. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

Section 18. Bond Registrar and Paying Agent. The Bond Registrar shall maintain a list of the names and addresses of the registered owners of all Bonds and upon any transfer shall add the name and address of the new registered owner and eliminate the name and address of the transferor registered owner. If requested by the Bond Registrar and/or Paying Agent, the Village President or Village Comptroller or Village Clerk of the Issuer are authorized to execute the Bond Registrar's and/or Paying Agent's standard form of agreement between the

Issuer and the Bond Registrar and/or Paying Agent with respect to the obligations and duties of the Bond Registrar and/or Paying Agent hereunder, which may include the following (in any event (a) - (f) below shall apply to the Bond Registrar and Paying Agent):

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of registered owners of Bonds as set forth herein and to furnish such list to the Issuer upon request, but otherwise to the extent lawful to keep such list confidential;
- (c) to give notices of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the Issuer at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the Issuer at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

The Village Clerk is hereby directed to file a certified copy of this Ordinance with the Bond Registrar and Paying Agent. In any event (a) - (f) above shall apply to the Bond Registrar and the Paying Agent.

Section 19. Prior Inconsistent Proceedings. All ordinances, resolutions or orders, or parts thereof, in conflict with the provisions of this Ordinance, are to the extent of such conflict hereby repealed.

Section 20. Immunity of Officers and Employees. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Ordinance contained against any past, present or future Village President or other officer, alderman, employee or agent of the Issuer, or of any successor public corporation, as such, either directly or through the Issuer or any successor public corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such officers, council members, aldermen or agents as such is hereby expressly waived and released as a condition of and consideration for the passage of this Ordinance and the issuance of the Bonds.

Section 21. Policy of Insurer. An Insurer's Commitment with respect to the Policy and the terms and provisions of the Policy are to be incorporated into this Ordinance by reference, including without limitation that any investment restrictions and limitations in the Commitment and related to the Policy shall be deemed to be applicable restrictions and limitations on the Qualified Investments and the investments authorized by this Ordinance. The

Issuer's standard package of documents shall be appended to this Ordinance as operative provisions of this Ordinance by reference, provided that any failure to so append shall not abrogate, diminish or impair the effect thereof. In the event there is no Policy, the reference herein to an Insurer or a Policy shall be given no effect.

Section 22. Instruments of Further Assurance. The Official Statement for the Bonds is approved and is hereby authorized to be used by the Underwriter in the placement and sale of the Bonds. The Bond Purchase Agreement and the Disclosure Undertaking, in substantially the forms presented before the meeting of the Corporate Authorities at which this Ordinance is adopted, with such changes therein as the officers of the Issuer executing them shall approve, which approval shall constitute the approval of the Corporate Authorities, shall be and are hereby authorized and approved for execution, delivery and performance. The Issuer covenants that it shall do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such ordinances and other actions supplemental hereto, and such further acts, agreements, instruments and transfers as may be reasonably required for the better assuring, transferring, conveying, pledging, assigning and confirming unto the owners of the Bonds its interest in the funds pledged hereby to the payment of the principal of, premium, if any, and interest on the Bonds and the application of Bond proceeds, all as herein provided. Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Issuer or any other person, become and be subject to the lien of this Ordinance as fully and completely as though specifically described herein, but nothing contained in this Section 22 shall be deemed to modify or change the obligations of the Issuer under this Section 22. The Village President and/or Village Clerk and/or Village Comptroller or other appropriate officer of the Issuer is authorized to certify to the County Clerk abatement or the reduction of Levied Taxes to reflect lower principal and interest on the Bonds from that provided above in Section 8.
